

Ambient Population Distribution

Within 1 and 5 Miles of Inventoried Roadless Areas on National Forest System Lands

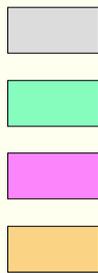

LEGEND

Population (P) per Square Mile

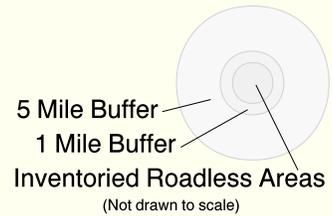

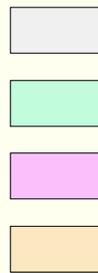

Inside Inventoried Roadless Areas (IRAs)

Within 1 Mile of IRAs

Within 5 Miles of IRAs

0 < P < 26 : Wildland/Rural
 26 < P < 260 : Rural/Urban
 260 < P < 1,300 : Suburban
 1,300 < P : Urban

Other Features

Highways

Limited-Access Highways

Ski Areas

Urban Areas

Notice:

These coarse-scale data were developed for national, programmatic and strategic planning, and summaries of the data were restricted to state or Forest Service regional scales. The developers do not recommend direct application of these data to finer spatial scales. Additionally, this map features data from a variety of sources and spatial scales. Minor overlapping is common throughout the map.
