ROADLESS DATABASE REFERENCES

[Cited as: Roadless Database 2000.]

The Roadless Area Conservation Project compiled a variety of geospatial and tabular data to support the DEIS and FEIS. The following references list existing data sources used for the project. In addition, Forest Service field offices provided GIS data of inventoried roadless areas and other resource information used for the analysis. Background on how the data were collected and used in the analysis can be found at roadless.fs.fed.us.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964 (voice or TDD). USDA is an equal opportunity provider and employer.
